

REQ-101 - EVIDENCE REQUEST

Uitbreiding Haci Bayram Moskee

CONCEPT REVIEW - FINAL GENERATION BLOCKED

Original existing-building drawing set

Priority: 1 | Responsible: Owner / architect

REQUESTED EVIDENCE

Original complete 19-page PDF dated 03-03-2004; readable scales, details and revision identity.

ACCEPTANCE CRITERIA

1. Complete original 19-page PDF, not a screenshot or partial extract.
2. Document title/date/revision are readable.
3. All plans, elevations, sections, structural and detail pages are present.
4. Architect or owner confirms this is the authoritative existing condition.

SUBMISSION CONTROL

- Provide original files, not screenshots or summaries.
- Include professional_verification.json completed by the responsible reviewer.
- Phoenix calculates SHA-256 during evidence intake.
- Acceptance unlocks only the listed downstream modules.
